WHY SUPPORT US?

ABERDEEN TAEXALI RUGBY CLUB

We are a young and ambitious rugby club that aims to help make rugby a more fun, safe and inclusive environment for gay, bisexual, straight and transgender men.

Formed in October 2018 the club was started to allow everyone, no matter their sexual orientation, to be able to participate in the sport without judgment or prejudice. We want to create a safe space where everyone can come together and enjoy rugby and be themselves. As we continue to grow and develop as a club we have found that we are not just a team but we are a community.

With support from you, International Gay Rugby, Scottish Rugby and other inclusive teams we aim to have a full 1st XV and 7s team competing in Scottish and nationwide competitions, as well as on an international platform at the Bingham and Union cup competitions which are held worldwide.
